

This past December marked the sixth yartzeit of **Dr. Abe Chames z”l**, and yes, it is hard to believe that six years have already passed without his smile. But his kindness still remains. The establishment of **Chesed Avraham Zev-The Dr. Abe Chames Foundation**- enables his wife and family to continue his great legacy of chesed.

One of his greatest joys was **providing funds for Pesach** to individuals who would never ask for help and would otherwise lack some of the most basic Yom Tov needs.

Last year was our most successful year yet. It was an amazing experience for our organization as we were able to help more people than we ever helped before!! We are hoping to make this year even better and help even more families make their Pesach as nice as yours.

With your help we know we can do it.

Think about what Pesach costs you. Think about all the wine, food, matzohs, clothes, and everything else that goes into making a Yom Tov for your family; AND then think about how you would feel if you knew this Yom Tov was coming and you couldn't afford these expenses.

Please help us keep Dr. Chames' kindness alive.
