## **ROBERTO KASSIN Z'L**

Roberto served as Aish South Florida's President during its crucial years of growth. He spearheaded the creation of the Hollywood Center and its strategic plans. The Roberto Kassin Annual Memorial Lecture was created to carry on Roberto's commitment to building a strong Jewish future by showing people how Jewish wisdom can transform and improve their lives, as it did his. Aish South Florida is honored to share in this commemoration with Clarita and their children, family and friends. Just as Roberto was always learning, questioning, sharing and inspiring, so too we carry on his legacy with this annual lecture in his memory.

# *What is Aish?*

Aish South Florida is a branch of Aish HaTorah International, one of the leading Jewish educational movements in the Jewish world whose main branch is directly across from the Western Wall in Jerusalem. With branches on five continents and programs in 77 cities, in 17 countries, Aish has inspired 750,000 participants and has an award-winning website, [www.aish.com](http://www.aish.com), which is visited by over 3 million people monthly.

Aish's mission is to instill an understanding of Judaism, a commitment to Jewish wisdom and practice, and a sense of responsibility for the Jewish people and the land of Israel. We accomplish this through cutting edge programs that demonstrate the relevance and beauty of Judaism, presented in a non-judgmental environment. Aish is open to Jews of all affiliations who are interested in learning more about our 3,500 year old heritage. We have been in South Florida since 1988 and over 30,000 people have participated in our programs.

# *A Message From*

**RABBI TZVI NIGHTINGALE**

Dear Friends

Thank you all for participating in our 18th annual Roberto Kassin Memorial Event. As you can see, we changed things up this year and tried something different regarding our venue and dinner. But what has not changed is recognizing wonderful individuals who have made an important impact on our community.

**Gabe and Karen Deutsch** are a take-charge couple. Each of them is happy to do whatever tasks necessary to make the Aish shul comfortable, warm and welcoming. Gabe is willing to do any job, no matter how unglamorous - and being a Gabbai is very unglamorous - to make sure Aish runs smoothly and is in tip top shape. When the roof leaks, it is Gabe who is first on the scene to clean it up. Karen keeps all the kids at Aish occupied, engaged and happy. This is crucial in any synagogue, but moreso in the tight and limited space of Aish, thereby keeping the decorum in place.

The zechut - merit of our Shabbat service and ability to have it as nice as it is, belongs to Karen and her fantastic team of young helpers.

**The Chemtov Family** in many ways embodies the vast array of our outreach efforts. Terry and Jennifer have grown tremendously in their commitment to Torah and Mitzvot thanks to their involvement with Aish over the past many years. Brenda was on Karen's inaugural JWRP Trip to Israel and Claude comes to our Shabbat service almost every week. They are a true Aish success story and we are thrilled to recognize them. Everyone in the Chemtov family has a warm and welcoming smile and personify what our sages say in Pirkei Avot, "מקבל כל אדם בסבר פנים יפות" "greet everyone you meet with a cheerful smile." The Chemtovs make Aish a happy place.

It has been many years since the passing of our dear friend and past president, Roberto Kassin but his meaningful contribution to Aish reverberates even today. Roberto had an incessant love for Am Yisrael and was a great believer in Aish's philosophy that the most effective way to ensure Jewish survival is by educating Jews of the beauty and wisdom of our heritage. Clarita carries Roberto's passion for Aish. May she and all of their beautiful children and grandchildren continue Robert's legacy of devotion to Am Yisrael.

Thanks for joining us and we hope that these great individuals will serve an inspiration to us all to continue to work for the benefit of strengthening our people.

**With Blessings,  
Rabbi Tzvi Nightingale**

# *A Message From*

**MICHAEL CHESAL**  
**Chairman of the Board**

Dear Friends of Aish,

I'm honored to once again deliver my annual "Message from the Chairman" to the loyal supporters of Aish.

Week after week, I get more inspired by the vast array of personalities who walk through the doors of Aish, from Ashkenazic to Sephardic, modern to Yeshivish, and Misnagdish to Chassidic. Like the 12 tribes of Israel, Jews of every shade are able to find a comfortable home among the Aish South Florida family. I can't explain how it evolved, but suspect it's the non-judgmental, warm, friendly and open environment that attracts people back every week. There's also a magic ingredient to Aish's success that's anything but a mystery: the dedicated commitment and magnetic personalities of people like this year's honorees.

What can you say about Karen and Gabe Deutsch? Karen dutifully shows up at Aish every Shabbos morning to ensure that the children's program runs smoothly and efficiently. She's always there to lend a hand, and no project or program is too big or

too small. Gabe, who is often busy on Shabbos and Yom Tov mornings across the street with his responsibilities to the Young Israel, still manages to find time to regularly join us for Kiddush, help with set up and clean up, serve as Gabbai on Shabbos afternoons and run the Seuda Shlishit Shabbos afternoon meal, all with no fanfare, just because he feels it's the right thing to do. For all this and so much more, we thank you.

Our other honorees, the Chemtov family, likewise enhance Aish with their magnetic personalities. Always smiling, always with a kind word. Terry and Jennifer have been active supporters of Aish since long before even moving to Hollywood. Brenda has been an instrumental part of the success of our JWRP program. And Claude is as loyal a student to Rabbi Nightingale as they come. We're honored to have you (and your children) all be a part of our Aish family. Thank you.

I also want to thank our dear friends and neighbors at Shorashim and the Hollywood Community Kollel, including Rabbi Edry, Parnes, Stohl, Marmorstein and Fensterszaub. Since arriving, you have all enhanced the Kedusha of the community, and especially our humble little Emerald Woods Plaza. Together, we seem to make a great team, working together to spread the light of Torah in Hollywood.

Lastly, I fondly recall the memory of our dear friend Roberto Kassin, after whom this event has been named. Roberto continues to be missed for his wisdom, wit and vision. His memory inspires us to continue the mission he helped set in motion.

May Roberto's memory and the incredible efforts of our devoted honorees inspire all of us to think about how we can each enhance our own commitment to Torah, bring others into the fold, and ultimately hasten the coming of the Moshiach, speedily in our day.

**Michael B. Chesal**

## KAREN AND GABE DEUTSCH

Karen and Gabe met in December of 2005 through a mutual friend while Gabe was living in Chicago. Karen and Gabe have been happily married since March of 2008. They have 2 beautiful princesses, Meira 8 and Daniella 6 who attend The Jewish Cooperative School in Hollywood. Karen and Gabe contribute their time to the school as well as other Jewish causes. Their home is always open for Shabbat guests of NCSY Shabbatons as well as other community happenings.

Karen has a key role within AISH South Florida by being the Shabbat Youth Program Director. She uses her many years of teaching to create a fun and inspiring environment for the children of AISH. Gabe tries to create a clean and safe place to daven and learn by setting up whatever needs to get done at AISH.

Karen was born in Ashford Kent, London and moved to Seattle age 6. She attended and graduated from Northwest Yeshiva High school and then Michlelet Esther Seminary in Israel. Karen has over 2 decades experience teaching and molding the young minds of pre-school children in NY, Chicago, Seattle and now Hollywood FL. Her parents Roger and Renee emphasized the importance of a Jewish Education thru taking an active role in their Community, by leading by example.

Gabe grew up in Miami Beach and graduated from the RASG Hebrew Academy. His parents Jerry and Mati Deutsch are true examples of leaders of the Jewish Community. Gabe went on to Yeshivat Tifferet Yerushalim. He spent 3 fulfilling years at the University of Hartford and graduated and continued his NCSY and Jewish community involvement. He spent 5 years with Chicago NCSY in the Regional Level. Part of Gabe's character is not to be on the front lines but to guide from the sides of even behind the scenes. He is normally a shy and quiet individual.

Aish Hatorah is considered a home away from home for Gabe & Karen along with their 2 children. They love the atmosphere of davening, learning and overall Achdut between everyone that walks through their doors. According to Gabe, Shabbos is not complete without davening with the Aish family.

## THE CHEMTOV FAMILY

### **Claude Chemtov -**

Born and raised in Cairo, Egypt, Claude Chemtov lived in Israel and Canada before finally settling in Miami Beach and raising a family there. He is now happily retired in Aventura. Claude spends most of his time exercising, traveling, enjoying his grandchildren, and of course attending Shabbat services weekly at Aish Hatorah, where he is a regular at Rabbi Nightingale's parsha class. He is the proud father of Terry, Brenda, and Shawn, father-in-law of Jennifer and Heather, and grandfather of Noah, Arielle, Allison, Jordan, Hailey, and Olivia.

### **Brenda Chemtov-**

Born in Montreal, Canada, Brenda grew up in Miami Beach and attended the University of Florida. She is the proud mother of Allison and Jordan. An executive in the finance industry, Brenda enjoys travelling and spending time with her family. She is a graduate of the JWRP program, which she attended in 2013 with Karen Nightingale. This trip strengthened her Jewish roots and rekindled her love for Judaism.

### **Terry and Jennifer Chemtov-**

Terry and Jennifer have been residents of Hollywood, FL since 2009, where they have been members of Aish Hatorah. Jennifer is originally from Randolph, NJ, and Terry grew up in Miami Beach. They met at work in 1992, attended classes at Aish Hatorah while they were still dating, and shortly thereafter were married by Rabbi Nightingale. They are the proud parents of Noah and Arielle.

We always commemorate the year of his passing remembering him for the legacy that he left.

This year we celebrate the birth of our 10th grandchild, Kiara Grace (Chaya), daughter of Danielle and Jonathan Strauss and the Bar Mitzvah of Roberto, son of Ezra and Jessica Kassin, which we will be celebrating in Israel later this year.

We want to thank Rabbi Nightingale and his family for all he does during the year and for having a wonderful Aish Hatorah and the relationship that we have had for 30 years. Until next year.

## TO THE CHEMTOV FAMILY

It is no coincidence that the Gematria of your Hebrew name שם טוב equals the same numerical value (357) as each of the following words in Tanach:

המקריב / offer (Vayikra 7:8)

Your family "offers" help to anyone who "calls" you.

קראנו / call (Devarim 4:7)

You are very "near" (and dear) to us because you are one awesome "tribe!"

הקרבים / near (Devarim 13:7)

We are privileged and honored to have you as friends!

You do Mitzvos with "haste" while wearing a "crown" of chesed that never fails to "deliver!" Aish couldn't run without both of you!
